Introducing our 2025 Product Premieres, the latest innovations from Mabry Home. Designed to revolutionize the industry, these cutting-edge products showcase our spirit of ingenuity. With unparalleled features, they promise to redefine your experience. Get ready to elevate your space with these innovative new products.

Big Modern shown in Bright White  
On the Cover: Duo Finish in Bright White/Parchment

# BIG MODERN

## Designed for today's windows

Crafted with a bold aesthetic, this shutter boasts a sleek design that is well suited with our Master Metal frame. The frame's clean lines effortlessly enhance any space, delivering a flawless fusion of practicality and elegance.

A-B: Oversized rails & stiles with no beading

C: Choose from 3-1/2", 4-1/2" or 5-1/2" louvers

D. Optional Metal frame blends seamlessly with your window trim

\* Also available in Little Modern with a 2" stile.

# MASTER METAL FRAME

## An exciting update in shutter framing

Our new all Master Metal Frames feature precision engineering with a sleek low profile, which compliments without covering up existing window trim. With its minimalistic appeal, metal frames are the perfect complement for today's modern windows.

Frame colors from L to R: Gunmetal, Bright White, Chocolate, Black

Crafted from high-quality aluminum, this frame offers resistance to corrosion and wear, making it suitable for various environments. Offered in 4 standard colors (satin finish) with paint match available on painted shutters.

Shown in Bright White/Driftwood

## DUO FINISH

### Dazzling design - A bold fusion of finishes

An effortlessly stylish fusion of innovation and charm. With Duo Finish, choose from complementary or contrasting finishes to craft a bold design statement in your living space.

5-1/2" Louvers - Shown in Midnight/Moonray

Popular color combinations:

- |   |   |
|---|---|
|  Off White    |  Midnight  |
|  Honey        |  Midnight  |
|  Bright White |  Driftwood |
|  Raintree     |  Parchment |
|  Midnight     |  Moonray   |

## DUO FINISH

ELEVATE YOUR SPACE WITH UNIQUE ELEGANCE

# 5-1/2" LOUVERS

## A Mabry Home Exclusive

Introducing the ground-breaking innovation that redefines shutter design: Mabry Home' exclusive 5-1/2" louver shutter. Crafted out of pioneering spirit, this shutter sets a new standard of luxury and style in the market.

Prepare to be captivated by the bold statement of these generously sized louvers. At 5-1/2" wide, they create a striking visual impact, transforming any space into a masterpiece of elegance and sophistication.

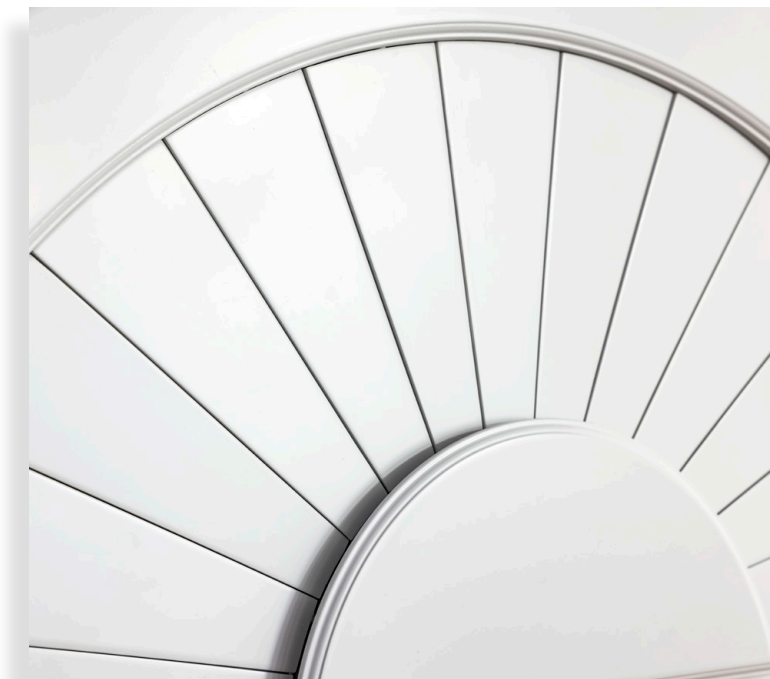

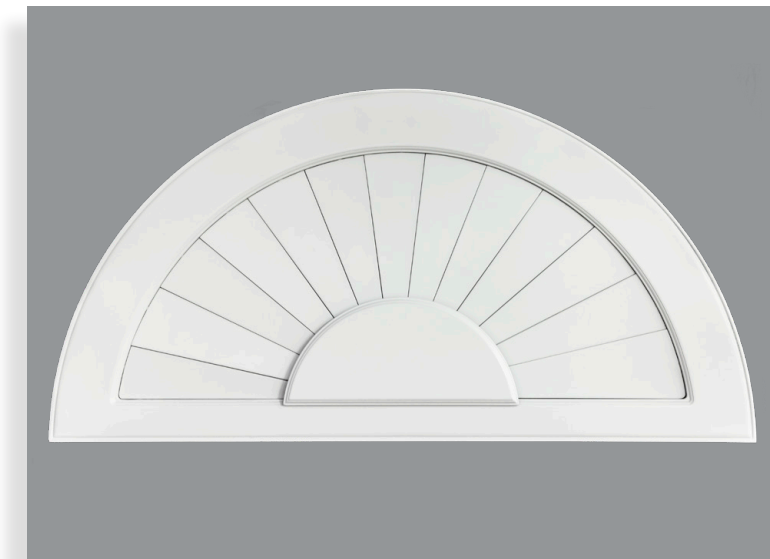

# SHIPLAP LOUVER ARCH

## Elegant light diffuser

The Shiplap Louver Arch boasts a meticulously engineered louver system that, when closed, forms a robust light-filtering barrier, effectively reducing external light.

The precision engineering ensures each louver lays flat, leaving fewer gaps for light to penetrate, providing unparalleled light-filtering capabilities for enhanced privacy and a darkened interior ambiance.

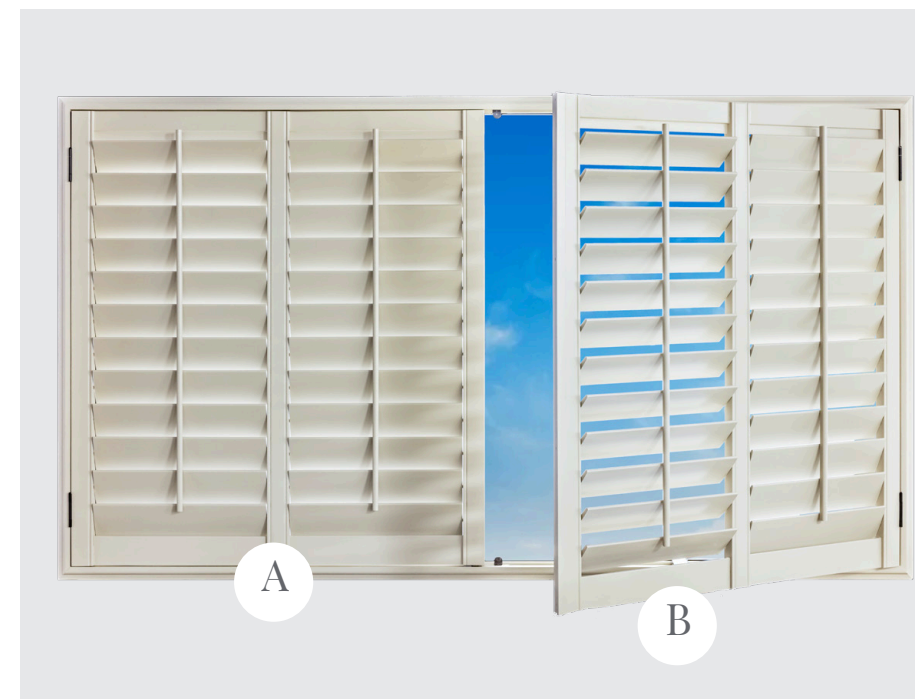

Shown in Off White

## MIDSTILE SHUTTER

### DESIGNED WITH WIDE WINDOWS IN MIND

Introducing the highly functional MidStile shutter. Meticulously crafted for unparalleled performance, this design reinvents style and utility. Positioned strategically at the center, the MidStile guarantees stability and accommodates exceptionally wide panels.

### HOW IT WORKS

A. Center mid-stile does not open, or fold. Provides stability for panels up to 48" wide.

B. Creates the appearance of two panels in one.

Experience the flawless fusion of style and utility with our MidStile shutter. Combining timeless charm with cutting-edge functionality, it offers unparalleled aesthetic appeal and practicality.

### PERFECT FOR CORNER WINDOWS

# ENCLAVE SHUTTER

Elevate privacy, unveil versatility

Crafted with precision, this ingenious design houses a shutter within a shutter, offering unparalleled versatility for transom windows.

Experience ultimate control over light and privacy with the Enclave Shutter's unique dual-panel system. Hinge the upper panel into the room for a unique design aesthetic or adjust the louvers in the sections independently of each other for ultimate light control.

Transform your windows into a statement piece with the Enclave Shutter; the perfect blend of sophistication and practicality.

# BERMUDA SHUTTER

Inviting light, inside out

Elevate your home with the Bermuda Shutter – the ultimate solution for transom windows. Designed to seamlessly cover these unique architectural features, the Bermuda Shutter adds a touch of sophistication while offering exceptional light control.

With its innovative tilt-in function, adjusting light and airflow has never been easier. Simply tilt the panels inward to invite gentle breezes and natural light into your space.

Your transom windows can now become a focal point with the addition of Bermuda Shutters; the perfect blend of style and functionality.

# SKYLIGHT SHUTTER

## Reach new heights

Discover the ultimate answer for skylight windows with this state-of-the-art shutter boasting an advanced locking system. Meticulously crafted for peak performance and visual appeal, these shutters offer unparalleled light control for those tricky-to-access windows.

Shown in Bright White

Our innovative locking mechanism is designed to securely hold shutter panels in place, preventing unwanted movement and ensuring a snug fit. Adjust desired level of light exposure with confidence. Simply press the latch to release the lock and open the panel.

Crafted with precision and durability in mind, these shutters seamlessly blend into any interior or architectural design, adding a touch of sophistication to your space. Experience the perfect synergy of style and convenience with our Skylight Shutter. A better solution with safety in mind.

Shown in Duo Finish: Midnight/Havana
